

Medical grounds

If a child has a medical need that would cause significant physical and/or mental hardship, an applicant can indicate that they wish their application to be considered under medical grounds.

It is the applicant's responsibility to complete this [Google form](#) or email to admissions@coombewoodschool.co.uk a hard copy of the form below along with supporting written evidence from a professional by the 31st October 2024.

The supporting evidence for medical grounds should be from the relevant registered professional(s) involved with the child. Examples include registered health professionals, such as Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter headed paper and reflect the child's current situation.

This evidence must prove why Coombe Wood School is the only suitable school and why the child cannot attend another school. This evidence must be specific to the school.

It is the applicant's responsibility to provide all evidence in support of their request and it is not possible for it to be considered under this criterion if no evidence is supplied.

All schools have the resources to work with special educational needs and common childhood complaints such as asthma.

Applications will be assessed against the evidence and determined by a Committee of the Board of Trustees established for this purpose, with the advice of the Headteacher and the Greenshaw Trust Head of Admissions.

Requests will be considered in accordance with the Equalities Act 2010.
