

## Instrumental Music Lessons

V.2025

The Music Department at Coombe Wood School works in partnership with Croydon Music and Arts (CMA) offering a programme of instrumental and vocal tuition within the school day.

We offer learning on the following instruments:

- Brass (trumpet, trombone, euphonium, tuba, French horn)
- Guitar (electric, acoustic / classical)
- Percussion (drum kit, percussion)
- Piano
- Strings (violin, viola, cello, bass)
- Woodwind (clarinet, flute, oboe, bassoon, saxophone)
- Voice

Students learn either individually or in pairs for up to half an hour every week. Lessons take place during the school day on a rotating timetable and we offer 10 lessons per term (30 a year). Information on the instrumental lessons and how to apply is communicated to students in their music lessons and information is sent out to you throughout the year.

We offer bursaries for families who are Pupil Premium Funded (previously free school meals) providing 70% off the full fees. The full fees are competitive rates and cost around £7 a lesson. Once you have signed up the lessons will automatically continue unless you cancel.
